

Client-Partner | Essential Info

Corporations

What are the sessions like?

- Inspiring and uplifting
- Interactive and engaging
- Entertaining and educational
- Rich and meaningful stories

What do participants gain?

- Practical tools to create the family of their dreams
- A blueprint on how to nurture qualities and values that are important to their family
- Feel cared for by employer
- Enhanced career and life communication skills
- Connection and closeness with colleagues
- Leadership, life and family skills
- Less stress, more peace and emotional well-being or health
- A wise investment of your employee's time
- Tools are universal in the workplace and at home
- Attendees are more engaged and focused

How Might This Benefit Your Organization?

- Build a strong and healthy corporate culture
- Retention of your top talent
- Employees demonstrate emotional intelligence and resilience
- Team members are more emotionally engaged and committed
- Building strong future employees
- Build team spirit and connectedness
- Build better team corporation and create better results

What are the logistics and details?

- Number of participants range 10 to 500
- Room size to be appropriate to hold number of participants
- How long is the session – 2 hours
- Client secures location – on or off site
- Client is invoiced by 10GG headquarters
- Client sends 10GG master enrollment list of attendees 3 days before session. List to include; full name, phone number and e-mail address
- Our presenters will coach their client on how to attract its audience. This is the client's responsibility. However, 10GG will provide customizable templates to use on social media, flyers, websites, or newsletters. 10GG will also coach client on how to make a formal announcement or invite people by word of mouth.
- Workbook that is customizable
- Client prints workbooks at their own expense

"My employees are more productive than ever!"

Larry Brown –
Proctor & Gambel
