**This category can also be used for service employees like police officers and firemen*

What are the sessions like?

- Inspiring and uplifting
- Interactive and engaging
- Entertaining and educational
- Rich and meaningful stories

What is the outcome for parents and teachers?

- Students ready to learn and succeed
- Less behavior and discipline problems
- Engaged and informed parents
- Students that are self-starters, responsible and respectful
- A positive, healthy, safe environment for learning and thriving
- A blueprint on how parents and teachers can nurture qualities and values in their children and students
- Leadership, life and family skills
- Less stress and upset, more peace and emotional well-being

How Might This Benefit Your School or School Districts?

- Less behavioral problems
- More engaged parents and grandparents
- Higher GPA
- Students prepared for the future
- Safe and connected community

What are the logistics and details?

- Number of participants range 10 to 500
- Room size to be appropriate to hold number of participants
- How long is the session – 2 ¼ hours
- Client secures location – on or off site
- Our presenters will coach their client on how to attract its audience. This is the client's responsibility. However, 10GG will provide customizable templates to use on social media, flyers, websites, or newsletters. 10GG will also coach client on how to make a formal announcement or invite people by word of mouth.
- Workbook that is customizable
- Client prints workbooks at their own expense
- Enrollment is done through our online system, Amalia
- We suggest the school provides free child-care at the facility during the event
- Client has an option to have separate or combined sessions for teachers and parents. (It is helpful to do sessions for both, as this aligns both the teachers and the parents on the 10GG tools and concepts.

“The students seem more focused and the parents are deeply engaged in their child's education and well-being!”

Payment Options

- Client pays a flat fee that is agreed upon in accordance with presenter's fee
 - Presenter submits authorization form to 10GG headquarters for processing
 - Client is invoiced by 10GG headquarters
 - Payment to be remitted to 10GG headquarters at least 45 days prior to scheduled session
- If client decides to charge participants, the registration fees will be refunded to the client by 10GG
 - We recommend the school charges a nominal fee for the session because it adds value, increases the number of registrations, and creates a sense of ownership
- Depending on school's demographic, we suggest the school give scholarships for 25 to 35 families that want to attend, yet are experiencing financial hardship. 10GG will generate a free coupon code that will cover 2 people per family. The code will be used at registration instead of payment.
- 10GG will give the school the coupon code in advance to delegate out as requested by appropriate families
